

End Of Life Product List

Model	Description	Recommended Replacement Model*
A2MP	Ammeter Panel – For relay Rack Mount (May include shunts)	N/A
A4	Special Power Supply	A12B or TPSD2
A5A	Standard & Marine Constavolt	N/A
A5E	Marine/Engine Start Constavolt Charger	A40 , A41 or A46
A5E4S	Special Air Force 400 Cycle Charger	N/A
A6	Power Supply	N/A
A7E	Standard Recharger Line	N/A
A7U	Standard Recharger Line	N/A
A8	Cathodic Protection Unit	N/A
A9	Standard Orgelectra Line	N/A
A11	Current Line Control Constavolt Float +/-1% Regulation	A12B or TPSD2
A11B	Current Line Control Constavolt Float =/-1% Regulation	A12B or TPSD2
A12H	Charger/Inverter UPS For Honeywell (Per F2-HW)	N/A
A13	Standard Charjall Line (select applications)	N/A
A14M	Military Power Supply	N/A
A15	Straight Transformer/Rectifier	N/A
A15A	Straight Transformer/Rectifier LMH Taps 24/48V for AEP	N/A
A15B	Straight Transformer/Rectifier Time Clock L-M-H	N/A
A15F	Filtered A15	N/A
A16	Standard G.M. Unit	N/A
A17	On-Off Charger (On-O-Matic)	N/A
A19	Model "Jm"	N/A
A21	Model "Rm"	N/A
A22	A5E with Accessories for Coast Guard Approval	A41 w/ Coast Guard App.
A25A	Standard Constavolt	N/A
A25F	Standard Constavolt Float (Track Float) (1L – 1NC/2NC)	N/A
A26	Standard Filtered Power Supply with Taps	A12B / TPSD2
A27	Special Unit for ComED – Line Compensated Power Supply/Battery Charger	A12B
A28	Regulated Power Supply Filtered	A12B / TPSD2
A29	Line Compensated Power Supply Filtered	A12B / TPSD2
A30D	Inverter – Transistor Single Card Design – Ferroresonant	N/A
A30F	Inverter - Transistor/Square Wave	A31
A33	Model A11B With Separate Battery & Load Terminals	A12B w/Batt & Load Term.
A33B	Model A11B With Separate Battery & Load Terminals	A12B w/Batt & Load Term.
A34	Transistorized Pulse Width Modulated Sine Wave Inverter	A31
A35	Material Handling Ferroresonant Charger Line	A75MD
A35C	Ferroresonant Mining Charger "China" Long Airdox	N/A
A35M	Ferroresonant Mining Charger "China" Long Airdox	N/A
A36F	Filtered Controlled Ferroresonant Unit For Use As Battery Eliminator	A36D
A36FA	Filtered Controlled Ferroresonant Unit For Use As Battery Eliminator	A36D
A36NF	Filtered Controlled Ferroresonant Unit For Use As Battery Eliminator	A36DN
A36N	Controlled Ferroresonant Battery Charger For Communications-Neg. Gr	A36DN
A37	Ferroresonant Power Supply Filtered To 30 Mv Rms	A36D or A36DN
A38	Golf Cart Charger	N/A
A40	Engine Starting Mag-Amp Battery Charger	A46F / A12B
A40F	Engine Starting Mag-Amp Battery Charger - Filtered	A46F / A12B
A40H	Charger/Inverter Ups For Honeywell (Per F2-HW)	N/A
A40R	Mag-Amp Railroad Battery Charger	A75R
A40R1	Railroad Charger per F4-A40R – Filtered 500mV rms on battery	N/A
A40R2	Filtered version of A40R1 per F4-A40R – Filtered to 50 mV rms on battery	N/A
A40RF	Filtered version of A40R per F4-A40R – Filtered to 50mV rms on battery	N/A
A40T	Internally Temperature Compensated Railroad charger per F4-A40T – Filtered 500mV rms on battery	N/A

End Of Life Product List

Model	Description	Recommended Replacement Model*
A40T1	Temperature Compensated Railroad Charger – External probe required – per F4-A40T – Filtered in 500mV rms on battery	N/A
A40T2	Filtered version of A40T1 – per F4-A40T – Filtered to 50 mV rms on battery	N/A
A40TF	Filtered version of A40T per F4-A40T – Filtered to 50mV	N/A
A41	Marine Battery Mag-Amp Charger	A46F / A12B
A41F	Marine Battery Mag-Amp Charger - Filtered	A46F / A12B
A42	Marine Isolation Transformer	ITSM
A43	Standard Isolation Transformer	ITS
A44	Auto Transformer	N/A
A45	Line Control Recharger Line	N/A
A45B	Line Control Recharger with Micro-Processor And Digital Display	N/A
A45D	Line Control Recharger with Mirco-Processor And Digital Display	N/A
A45E	Material Handling Mag-amp Charger	N/A
A45M	Line Control Recharger built to Mine Standards for Mining Apps.	N/A
A46	Engine Starting Mag-Amp Battery Chargers	A46F / A12B
A47	Aircraft Charger	N/A
A49	Power Supply (Filtered)	N/A
A51E	Standard SCR Inverter (Sine Wave) Ferro-Resonant	A31
A52	UPS System	A32, AUPS or IUPS
A53	Frequency Converter - AC/AC	N/A
A54	PWM SCR Inverter - Sine Wave	A31
A56	Track Rectifier	N/A
A58	UPS System With Batteries	N/A
A60	DC to DC Converter NCP	N/A
A61	DC to DC Converter (Output Regulated)	N/A
A62	DC to DC Boost Converter	N/A
A63V	DC/DC Converter	N/A
A65	Charger In Console Case with Battery Compartment	N/A
A66	Inverter On Console Case With Battery Compartment	N/A
A67	Multiple Cell Adjustable Track Rectifier	N/A
A70	Single Phase High Frequency Charger/Power Supply	N/A
A70B	Material Handling SCR Charger	N/A
A75A/E	Analog SCR Battery Charger - Filtered/Unfiltered	A77D/E
A75D/E	Digital SCR Battery Charger - Filtered/Filtered Battery Eliminator	A77D/E
A76	Industrial SCR Charger With Micro-Processor	N/A
A76A	Single Phase High Frequency Float Charger/Power Supply	N/A
A85	Ferro Mining Battery Charger	A75MD
A85M	Material Handling Ferroresonant Charger Line– for Mining	N/A
A86	Switchmode Rectifier	LMP
A86B	Switchmode Rectifier	LMP
A87	Rectifier	N/A
A91	SCR Float Charger	A77D
A92	Filtered SCR Float Charger	A77DE
AGVB	Automatic Guided Vehicle Oppurtunity Charging	N/A
AVIA	Aviation Constant Current Controlled Ferro Charger	N/A
CDP	Combination Distribution Panel	MSM
DCPS	DCPS Telecom System	LMP
E12	Battery Charger	A12B
ESC	Engine Starting Charger 30mV RMS	ESCR, A46 or A46F
ERMM	Micro-Monitor	N/A
ET116	ET116 Timer Retrofit Kits	N/A
FP	Fuse Panels for Relay Rack mounting	N/A
FPR	Fuse Panels for Relay Rack mounting with Alarm (Assy. S2B-145)	N/A

End Of Life Product List

Model	Description	Recommended Replacement Model*
GMT	Special Fuse Panel for Relay Rack mounting having GMT fuses	N/A
LMHF	Rectifier Module	LMP
LMHFxx-TC	19 or 23 Inch Temp. Comp. Panel for LMHF Rack Systems, in conjunction with a shelf mounted controller. (Replace "xx" with "19" or "23")	LMP
MPC	Mobile Power Center Using A76A Or A86 Rectifier Modules	LMP
MPC LMHF	Mobile Power Center using LMHF Rectifiers	N/A
MPS	Modular Power System Using A86 Rectifier Modules	MPSL
MSCR	Marine SCR battery Charger	MSM
PPC	Power Plus Charger	A77D/E or ESCR
R76	Replacement High Frequency Charger for A76	N/A
R76A	Replacement High Frequency Charger for A76A	N/A
TPS	Control Ferroresonant Battery Charger/Power Supply	TPSD2
TPSD	Ferroresonant Battery Charger	TPSD2

*Replacement may not be exact form or fit of obsolete product. Please consult with factory for further assistance.

ECN #23120 (February 23, 2022)

Rev: February 23, 2022
